## ABOUT

- YOUR **PROFESSIONAL EYELASH EXTENSION SUPPLIES** -

*hey beauty,*

**I'M SHIRLEY LIU!**

You wanna know what makes me glow?

Putting *fire* in her soul with a killer pair of **lashes**.

**If I'm right in thinking we have common ground... Hurrah!**

**You're smack-bam in the right spot!**

So, here's *my* inside scoop... before I can remember, I've loved *all* things beauty, no really. I spent most of my childhood applying my mother's expensive makeup to Barbie dolls and my teenage years fixated on YouTube tutorials watching 'How to: Apply **Eyelash Extensions** Like a Pro', over, and over. - (Eeek, tell me I'm not the only one!)

My uni days studying psychology were spent juggling my studies on human behaviour and my true passion for **eyelash extensions** & making women feel their own kinda' beautiful.

Soon after graduating, I decided it was time to step into the most successful decade of my life, so, that's why I chose to quit the corporate route and start up my own

dream biz doing the *very* thing that brought me joy... & well, I've never looked back since.

Today, I'm Shirley, Lash Supplier & Technician,  
Female Empowerer, Girl-Boss, Overachiever,  
Go-Getter and your BFF who brings the *good* lashes.
