4D PREMADE VOLUME FANS LASHES MIXED LENGTHS LASH TRAY D CURL

LASH & BEAUTY SUPPLIES DESCRIPTIONS

double THE VOLUME *half* THE TIME

The 4D Premade Volume Fans Lashes offer striking volume in half the time. These 4D Volume Lashes are 4 lashes, heat bonded together to form 1 volume lash extension which can be applied to a natural lash, with minimal glue for safer application to showcase supreme volume lashes in half the time!

The 4D Premade Volume Fans are a high-quality lash extension supply, ready to empower you to deliver long-lasting, professional eyelash extensions in the least amount of time and at a great value to your client.

This salon-quality premade lash tray is perfect for you if you're a professional eyelash technician with a lot or little experience. The heat bonded premade volume fans have no difference to handmade fans however, are perfect for those starting out in the lash industry, lash artists who are just 'classic lash' trained or lash artists looking to produce high-quality and fluffier professional eyelash extensions in less time. No volume training is necessary to perform perfectly filled

and balanced lashes with delicious volume. Look no further honey, the 4D Premade Volume Fans are here!
