MEET THE FOUNDER

Hey! I'm Emma Brown-Garrett,

Public Speaker, Vocal Expression Specialist, Enunciation Expert &
Communications Connoisseuse - because I know that
raising your words means raising your potential.

I created Speak in 2021, to serve the increasing demand for **BADASS FEMALE SPEAKERS!**

With no other platform out there utilizing the talent of inspiring, motivating and engaging female voices alone; I knew it was time to create, an exclusive hub for hiring professional and affordable female Public Speakers, inspirational female Storytellers, engaging female Celebrant's, Emcee's, Auctioneers and Keynote Speakers all charged with that #savvywoman energy that *your* event has been *seriously* missing out on. This. Whole. Entire. Time!

Throughout my many years attending events and conferences, I have seen firsthand how your choice of public speaker can seriously make or break an event - no, really. That's why at Speak, our small and helpful team's sole focus, is to help you achieve that motivational event, elite campaign or memorable occasion, through exceptional, female speakers who fully align with your brand values, and whose expertise lies within accelerating your impact, increasing your engagement and skyrocketing your income, all of which come hand in hand with the successful transmission of *your* intended message.
